Less than 15mins drive from Le Mans and the circuit this property has been converted into a superb self contained country coach house residence. Part of a XV century manor makes it the ideal base for the Le Mans 24hrs & Classic and a popular choice with our regular guests including team principals. All the rooms are beautifully furnished and the bathrooms reflect the features of this property.

Accommodation comprises four bedrooms, two ensuite and the other two sharing a large bathroom plus shower and a separate toilet. Two further bedrooms are located on a private floor in the adjacent manor. There is a large comfortable lounge for guests to relax in and impressive dining and kitchen areas.

The secluded attractive gardens include a large swimming pool and overlook open countryside. A quality well appointed residence, it comes highly recommended and close to the circuit.
